**Description**
These campsites are user maintained unless otherwise noted. All distances noted are one way. All sites are user maintained unless otherwise noted. Please take all your garbage with you when you leave.

### General Information

- **Tips for safe hiking in bear country**
  - Be aware of your surroundings and keep an eye on your path.
  - Travel in groups and make loud noises. Whistles, tings, or carry noise makers such as bells on a camp carrying pack. Bears are not usually aggressive, but they can be startled. Make loud noises to prevent a bear from getting too close at hand on trails.
- **Cultural Feature**
  - Many areas on Haida Gwaii contain culturally modified trees. Please do not disturbs these culturally significant features.
- **Forest Fires**
  - Should you spot a forest fire phone 1-800-663-5555. This is a free province wide, forest fire emergency phone number.
- **Campground Reservations**
  - No campground reservation service available.

### Safety Tips

- **Never hike alone.**
- **Before hiking on a hike, let a responsible individual know where you are going and when you will be returning. Always contact that individual if you return.**
- **Some trails are not clearly marked. Be prepared and take a map, compass, food, emergency gear and a GPS unit.**
- **Assume you will be staying overnight.**
- **Shoreline hikes may be limited by tides. Consult tide tables before heading out.**
- **Avoid hiking during strong winds.**
- **In case of emergency contact the R.C.M.P. Queen Charlotte Detachment: 250-559-4421 or Masset Detachment: 250-626-3991.**
- **In case of medical emergency contact BC Ambulance: 1-800-461-9911.**

### Resource Road Safety

- **Many sites and trails are accessed by active industrial resource roads. Follow all posted signs and yield right of way to industrial traffic.**
- **Agriculture Ministry of Natural Resources BC info line at 250-441-0200 or the Queen Charlotte Visitor Information Centre 250-559-6363 for more information.**
- **Road conditions can be variable including loose gravel, slush, snow, ice, and other hazards.**
- **Roads are subject to closure during closure periods during weather extremes during winter months.**
